Spectacular Australian Flag glasses

May we ... lift up our banners in the name of our God (Psalm 20:5)

Print these images on thick paper (perhaps 250 gsm) to make two A5 worksheets.
Cut around the rectangular glasses frame.
Gently poke a hole in the white rectangles and cut them out.
Cut around the blue discs.
Glue the large Federation Star under the Union Jack.
Glue the five stars of the Southern Cross in their places.
Cut around the J-shaped "arms".
Use sticky tape to hinge them in place.
Enjoy your new perspective on the Australian Flag!
